CFDA #10.559

GRANT PERIOD 10-1-2020 TO 9-30-2021

We are pleased to inform you that your 2021 Summer Food Service Program application has been approved, and you are now eligible to receive reimbursement for meal service. The 2021 funding approved for your organization is \$124,768.80. A copy of your approved Schedule C Menu and Pink Agreement will be mailed to your sponsorship.

As a reminder, area eligibility is good for 5 years. Those sites with current area eligibility are noted with an "A" on the Schedule A. Sites noted with an "E" will be required to submit the annual documentation required to obtain or renew site eligibility.

As a sub-recipient of New Jersey Department of Agriculture funds, it is imperative that you provide the above listed FAIN numbers, CFDA number, and Grant Period to your CPA. This requirement is in accordance with the Uniform Administrative Requirements, Costs Principles, and the Audit Requirements for Federal Awards.

The New Jersey Department of Education (NJDOE) has approved school district and charter school restricted and unrestricted indirect cost rate applications for the year 2020-2021 School year. If the NJDOE approved indirect cost rate is utilized, it must be documented and charged consistently across all programs.

If you have never received a negotiated indirect cost rate, you may elect to charge a rate of 10% of modified total direct costs indefinitely. If this election is made, you must use this rate consistently for all Federal Awards and all charges must be documented. If you have any questions, please our Division's fiscal office at 609-984-1439.

Each sponsor must ensure that they are maintaining a nonprofit food service operation and must restrict all income accrued from the Summer Food Service Program to use solely for the operation or improvement of the food service.

AUDIT REQUIREMENTS

The audit requirements for Program sponsors, pursuant to the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards and/or New Jersey OMB Circular 15-08, include the following:

Recipients whose funding is \$750,000 or more in state and/or federal financial assistance within their fiscal year must have a single audit performed in accordance with 2 CFR Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards.

Recipients whose funding is less than \$750,000 but more than \$100,000 in state and/or federal financial assistance within their fiscal year must have either a financial statement audit performed in accordance with Government Auditing Standards (Yellow Book) or a program-specific audit performed in accordance with circular letter NJ 15-08-OMB. The type of Audit required is dependent upon the source of funding.

Recipients whose funding is less than \$100,000 in federal and/or state funding within their fiscal year are not required to have an audit performed.

The completed audit is due to the cognizant agency, the one which provided most of the funding, within 9 months of sponsor's fiscal year end. The audit must be performed by an independent CPA. Federal funds cannot be used to pay for any required audit.

State funds expended during the sponsor's fiscal year derived from a vendor relationship are not subject to audit requirements. Determination of a vendor relationship status of funds expended can only be made by the cognizant agency, in conjunction with the other funding agency or agencies if necessary.

Failure to comply with audit requirements may result in an over claim to sponsor's Program and/or a seriously deficient determination.

Please contact your Nutrition Program Specialist at (609) 292-4498 for information regarding program operation and issues.

Best wishes for a successful summer.

Sincerely,

Tracii Butler Proctor, Coordinator

**TOWNSHIP OF NORTH BERGEN
HUDSON COUNTY, NEW JERSEY**

**AN ORDINANCE PROVIDING FOR THE ZONING AND REGULATION
OF CANNABIS PURSUANT TO THE NEW JERSEY CANNABIS
REGULATORY, ENFORCEMENT ASSISTANCE, AND MARKETPLACE
MODERNIZATION ACT, PL 2021, C. 16**

**BE IT ORDAINED BY THE COMMISSIONERS OF THE TOWNSHIP OF
NORTH BERGEN, as follows:**

Section 1. Background and Findings

A. In 2020 New Jersey voters approved Public Question No. 1, which amended the State of New Jersey Constitution to allow for the legalization of a controlled form of marijuana called “cannabis” for adults at least 21 years of age.

B. Public Question No. 1 was approved by the voters of the Township by a margin of 12,624 in favor and 7,144 opposed.

C. On February 22, 2021, Governor Murphy signed into law P.L. 2021, c.16, known as the “New Jersey Cannabis Regulatory, Enforcement Assistance, and Marketplace Modernization Act” (the “Act”), which legalizes the recreational use of marijuana by adults 21 years of age or older, and establishes a comprehensive regulatory and licensing scheme for commercial recreational (adult use) cannabis operations, use and possession.

D. The Act establishes six marketplace classes of licensed businesses, consisting of:

1. Class 1 Cannabis Cultivator license, for facilities involved in growing and cultivating cannabis;
2. Class 2 Cannabis Manufacturer license, for facilities involved in the manufacturing, preparation, and packaging of cannabis items;
3. Class 3 Cannabis Wholesaler license, for facilities involved in obtaining and selling cannabis items for later resale by other licensees;
4. Class 4 Cannabis Distributor license, for businesses involved in transporting cannabis plants in bulk from one licensed cultivator to another licensed cultivator, or cannabis items in bulk from any type of licensed cannabis business to another;
5. Class 5 Cannabis Retailer license for locations at which cannabis items and related supplies are sold to consumers; and
6. Class 6 Cannabis Delivery license, for businesses providing courier services for consumer purchases that are fulfilled by a licensed cannabis retailer in order to make deliveries of the purchased items to a consumer, and which service would include the ability of a consumer to make a purchase directly through the cannabis delivery service which would be presented by the delivery service for fulfillment by a retailer and then delivered to a consumer.

E. Section 3 of the Act defines a “cannabis establishment” as “a cannabis cultivator, a cannabis manufacturer, a cannabis wholesaler, or a cannabis retailer”.

F. Section 31a of the Act authorizes municipalities to adopt by ordinance regulations governing the number of (1) cannabis establishments, (2) cannabis

distributors and (3) cannabis delivery services, except for the delivery of cannabis items and related supplies by a cannabis delivery service based and initiated from outside of the municipality.

G. Section 31a of the Act also authorizes municipalities to adopt by ordinance regulations governing the local licensing endorsement, location, manner and times of operation of cannabis establishments and cannabis distributors, and the location and manner of cannabis delivery services, and establishing civil penalties for the violation of any such regulations.

H. Section 31b of the Act authorizes municipalities to prohibit by ordinance the operation of any one or more classes of cannabis establishments, distributors, or delivery services anywhere in the municipality, except for the delivery of cannabis items and related supplies by a delivery service based and initiated from outside of the municipality.

I. Section 31b of the Act stipulates that any municipal regulation or prohibition must be adopted within 180 days of the effective date of the Act (i.e., by August 21, 2021). The failure to do so shall mean that for a period of five years thereafter, the growing, cultivating, manufacturing, selling and reselling of cannabis and cannabis items shall be permitted uses in all industrial zones, and the retail selling of cannabis items to consumers shall be a conditional use in all commercial and retail zones. At the conclusion of the initial and any subsequent five-year period following a failure to enact local regulations or prohibitions, the municipality shall again, in 2026, have 180 days to adopt an ordinance regulating or prohibiting cannabis businesses, but any such ordinance would be prospective only and would not apply to any cannabis business already operating with appropriate approvals within the municipality.

J. Section 40 of the Act permits a municipality to adopt an ordinance imposing a transfer tax on the sale of cannabis or cannabis items by a cannabis establishment that is located in the municipality on receipts from the sale of cannabis by a cannabis cultivator to another cannabis cultivator; receipts from the sale of cannabis items from one cannabis establishment to another cannabis establishment; receipts from the retail sales of cannabis items by a cannabis retailer to retail consumers who are 21 years of age or older; or any combination thereof and to set its own rate or rates, but in no case exceeding: two percent of the receipts from each sale by a cannabis cultivator; two percent of the receipts from each sale by a cannabis manufacturer; one percent of the receipts from each sale by a cannabis wholesaler; and two percent of the receipts from each sale by a cannabis retailer.

K. The Township has determined that it will allow all classes of business licenses set forth above, except cannabis delivery licenses. The Township will also prohibit cannabis consumption areas.

L. Due to the oversight and additional demands on public resources, the Township will require payment of municipal taxes to the maximum extent permissible under State law.

Section 2. Definitions

A. "Alternative Treatment Center" or ATC means an organization issued a permit pursuant to the "Jake Honig Compassionate Use Medical Cannabis Act," P.L. 2009, c.307 (C.24:6I-1 et seq.) to operate as a medical cannabis cultivator, medical cannabis manufacturer, medical cannabis dispensary, or clinical registrant, as well as any alternative treatment center deemed pursuant to section 7 of that act (C.24:6I-7) to concurrently hold a medical cannabis cultivator permit, a medical cannabis manufacturer permit, and a medical cannabis dispensary permit.

B. "Cannabis" means all parts of the plant *Cannabis Sativa* L., whether growing or not, the seeds thereof, and every compound, manufacture, salt, derivative, mixture, or preparation of the plant or its seeds, except those containing resin extracted from the plant, which are cultivated and, when applicable, manufactured in accordance with P.L. 2016, c. 16 for use in cannabis products as set forth in the Act, but shall not include the weight of any other ingredient combined with cannabis to prepare topical or oral administrations, food, drink, or other product.
