Re: FFY2017 Federal Transit Administration (FTA) Section 5310 Program – Notification of Inclusion

Dear Mr. Pianese:

I am pleased to announce that your application for the FFY 2017 FTA Section 5310 grant program has been selected for inclusion in the statewide FTA Program of Projects (POP) application. We anticipate that our POP will be approved by the FTA sometime in the next eight to ten months; your Section 5310 award in this POP is as follows:

Vehicle(s) Award:

During NJ TRANSIT's federal vehicle procurement process, all Section 5310 vehicles are built (manufactured) to conform with bus specifications compliant to federal requirements. Please note, we do not anticipate actual delivery of vehicle award(s) until 24 months from date of this letter.

Mobility Management Federal Award: \$0.00 (this amount represents 80% of the project cost)
\$0.00 (this amount represents your 20% Local Share)

Operating Federal Award: \$25,000.00 (this amount represents 50% of the project cost)
\$25,000.00 (this amount represents your 50% Local Share)

Operating and/or Mobility Management agreements can take up to a year to receive from date of this letter. Those approved for Operating and/or Mobility Management must comply with the following:

- Document and provide your agencies local match. In your initial Section 5310 application, you identified **Municipal Funds** as your source of local match for Operating and/or Mobility Management.
- Prior to your purchase NJ TRANSIT staff is required to review and approve all third party specifications whether for operations, planning, equipment or software to ensure all purchases follow **FTA procurement procedures**. This is a reimbursement program; we will not reimburse Section 5310 expenditures that are not compliant with FTA procurement requirements. (No local match requirement for equipment purchases.)

While we congratulate you on the above award(s), please note that we are unable to approve all requests. The selection of your application represents a continued expression of the Governor's support for programs that enhance mobility of senior citizens and people with disabilities. Since the Section 5310 Program began in 1975, more than 1,950 vehicles have been purchased and delivered to eligible private non-profit organizations, counties and municipalities across New Jersey.

If you have any questions about the review and evaluation of your application, please call 973-491-8767 and you will be redirected to your assigned regional administrator. Again, congratulations and thank you for your continued participation in community transportation.

Sincerely,

Anna Magri
