THE BOARD OF COMMISSIONERS OF THE TOWNSHIP OF NORTH BERGEN, IN THE COUNTY OF HUDSON, NEW JERSEY (not less than two-thirds of all the members thereof affirmatively concurring) DO ORDAIN AS FOLLOWS:

Section 1. The improvement described in Section 3 of this bond ordinance has heretofore been authorized as an improvement to be made or acquired by The Township of North Bergen, in the County of Hudson, New Jersey, by the ordinance of the Township heretofore adopted by the governing body of the Township on March 25, 1964, and entitled: "Bond ordinance providing for improvement of the sanitary sewer system in and of The Township of North Bergen, in the County of Hudson, New Jersey, appropriating \$3,400,000 therefor, and authorizing the issuance of \$3,400,000 bonds or notes of the Township for financing such appropriation", (said ordinance being herein called the "Improvement Ordinance") as supplemented by the ordinance of the Township heretofore adopted by the governing body thereof on June 17, 1964, making a supplemental appropriation of \$1,615,000 for the improvement or purpose described in Section 3 hereof and authorizing the issuance of \$1,615,000 bonds or notes of the Township for financing such appropriation. To meet the cost of said improvement, estimated June, 1964, at \$5,015,000, there has heretofore been appropriated or made available by the Improvement Ordinance, as supplemented, the sum of \$5,015,000, said sum being inclusive of the estimated amount of \$1,515,000 expected to be received by the Township as a grant-in-aid of financing said improvement or purpose under or pursuant to the Public Works Acceleration Act (Public Law 87-658 of the 87th Congress of the United States) from the United States of America, or agencies thereof (herein called "Federal Funds").

Section 2. For the permanent financing of said improvement or purpose and for the funding and retirement of bond anticipation notes of the Township authorized or issued pursuant to the Improvement Ordinance, negotiable bonds of the Township, each to be known as "Sanitary Sewer Bond", are hereby authorized to be issued in the principal amount of \$3,400,000 pursuant to the Local Bond Law of New Jersey.

Section 3. (a) The improvement authorized by the Improvement Ordinance and the purpose for the financing of which said obligations are to be issued including the funding and retirement of bond anticipation notes of the Township heretofore authorized or issued therefor, is the improvement and enlargement of the sanitary sewer system of the Township by the construction and installation of a new force main extending from the Northern Sewage Treatment Plant at 91st Street westerly to Bellman's Creek, thence under the right-of-way of the New York Central and New York Susquehanna and Western Railroad to a point, thence southerly and parallel to said New York Susquehanna and Western Railroad right-of-way to the Township-Jersey City boundary line, together with all necessary connections, valves, manholes, equipment, structures and appurtenances.

(c) The estimated cost of said purpose is \$5,015,000 inclusive of \$1,615,000 appropriation heretofore made therefor by said supplemental ordinance adopted June 17, 1964.

Section 4. The following matters are hereby determined, declared, recited, and stated:

(a) The said purpose described in Section 3 of this bond ordinance is not a current expense and is a property or improvement which the Township may lawfully acquire or make as a general improvement, and not part of the cost thereof has been or shall be specially assessed on property specially benefited thereby.

(b) The period of usefulness of said purpose, within the limitations of said Local Bond Law and according to the reasonable life thereof, is forty (40) years.

(c) The supplemental debt statement required by said Law has been duly made and filed in the office of the Township Clerk and a complete executed duplicate original thereof has been filed in the office of the Director of the Division of Local Government in the Department of the Treasury of the State of New Jersey, and such statement shows that the gross debt of the Township as defined in said Law is increased by authorization of the said obligations provided for by this bond ordinance by \$3,400,000 and that the issuance of the said obligations authorized by this bond ordinance is permitted by the exception contained in subsection (b) of section 40A:2-7 of said Law to the debt limitations prescribed by said Law.

(d) The aggregate amount of \$450,000 for items of expense permitted under section 40A:2-20 of said Law, has been included as part of the cost of the improvement or purpose described in Section 3 of this bond ordinance.

(e) This bond ordinance authorizes obligations of the Township solely for a purpose described in paragraph (b) of section 40A:2-7 of said Law.

Section 5. The Improvement Ordinance is hereby superseded and repealed to the extent, but only to the extent, that said ordinance shall be authorized for the issuance of bonds or bond anticipation notes of the Township after the effective date of this ordinance, but nothing herein contained shall affect or impair the validity of any bond anticipation notes or other obligations of the Township heretofore issued or incurred on matters undertaken or to be undertaken or accomplished or to be accomplished pursuant to the Improvement Ordinance or any authority therein or thereunder.

Section 6. All Federal Funds received or to be received by the Township in aid of financing the improvement or purpose stated in Section 3 of this bond ordinance shall be applied to the payment of the cost of said improvement or purpose or to the extent permitted by law, shall be applied to the payment and retirement of obligations of the Township issued for the purpose described in Section 3 hereof.

Section 7. The full faith and credit of the Township are hereby pledged to the punctual payment of the principal of and interest on the said obligations authorized by this bond ordinance. Said obligations shall be direct, unlimited obligations of the Township, and the Township shall be obligated to levy ad valorem taxes upon all the taxable property within the Township for the payment of said obligations and interest thereon without limitation of rate or amount.

Section 8. This bond ordinance shall take effect twenty (20) days after the first publication thereof after final passage, as provided by said Local Bond Law.
